Verducci Threatens To Resign At Stormy Meeting

Annual Firemen's Ball And Birthday Party Saturday

DOUBLE SESSIONS TO BE REDUCED BY FALL

Fewer double sessions in Daly City's elementary schools was the outlook today as Jefferson Elementary School district officials began classification of pupils for 1954-55.

Big factor in eliminating some of the split sessions will be the scheduled opening of the Colma school in September, making available 25 more classroom spaces, in addition to the eight already completed.

Current enrollment is 3928. H. Z. Weibel, district superintendent, said he and his staff predict a figure of 4450 for next year.

With each new classroom at Colma handling approximately 30, for a total increased capacity of 750, this means that the 500 jump predicted in enrollment can be accommodated with some to spare.

Weibel predicted that, at the most, six rooms in the district would be on double sessions. However, at Westlake school, children who will eventually attend Olympia school, now under construction, will attend split sessions until completion of the structure. Westlake is currently on regular session.

Contractors on the job estimate it will be ready for opening some time in September, meaning that the two sessions would be only for short duration.

Schools currently on double session are Colma, Crocker, Woodrow Wilson and Jefferson Elementary.

At Woodrow, which is now a kindergarten through fourth grade school, accommodations may only be available for children through the third grade, Weibel said. Crocker will probably be on regular session next year, he added.

However, he pointed out, "Our policy is to avoid scheduling the same children on double sessions two consecutive years. This policy will be a determining factor in our arranging of double sessions."

Where double sessions will exist, Weibel explained, it will be mainly because of increased enrollment from the Callan and Doelger tracts.

Concurrent with the scheduling of classrooms for next year, district officials are arranging the bus transportation with an attempt to minimize on miles traveled.

This will be brought about by assigning children to schools close to their homes.

CANDIDATES NITE SET FOR TUESDAY

A candidates night at which all aspirants for Jefferson Elementary and High School district boards are invited to attend and voice their platforms will be held Tuesday night at the Jefferson High School auditorium.

The session will begin at 8 p.m. A similar open forum was held this week by the Crocker PTA and all candidates were invited to give their views.

Tuesday night's gathering will not be under the sponsorship of any PTA.

The 21st year of incorporation of the Widows and Orphans association of the Daly City fire department will be celebrated by a ball on May 15 at 8 p.m. in the Memorial building according to Ed Goldkuhl, president.

Plans are being made to handle the largest crowds in the history of the organization, Goldkuhl reported.

Del Courtney's orchestra and a program of stars from television, radio, stage and screen will appear.

Decorations will be designed by director M. Gustave Hanson, who, with his staff of decorators, will follow a fire department motif.

According to Goldkuhl the committees are to be praised for their enthusiasm in the preparations for the ball.

"I wish to express my appreciation at the wonderful response of the people of Daly City toward the door to door ticket sale campaign," Goldkuhl.

JEFF HIGH BUYS 6000 FEET OF PIPE

A total of 6000 feet of five inch water pipe was purchased by the Jefferson High School district board of trustees at their meeting Monday night.

The pipe, needed for firelines in the present school and to replace pipeline from the proposed Westmoor school to the district well in Broadmoor, was purchased at one-third regular cost, according to Stanford Hannah, superintendent.

The material was obtained from the state educational agency for surplus property at a cost of 85 cents a foot.

The board hired two more new teachers Monday night.

Thanos Danagoulis, a graduate of University of San Francisco who lives at 93 Wilshire, Daly City, was hired to instruct freshmen social studies.

The other new teacher is Merle Honaker, a graduate of University of California who is currently working as a chemist in Berkeley.

Honaker formerly taught at Grant Union High in North Sacramento.

He will teach mathematics at Jefferson.

Hunt Continues For One Of Two Cars Stolen Tuesday

Two cars were reported to police as stolen from the Crocker tract area on Tuesday of this week, it was learned yesterday. One car has been located, the other is still missing, according to police reports.

Found, only a few hours after it was reported stolen from in front of 6242 Mission street, was a Chevrolet belonging to Mrs. Vera Cerreto, 160 Gambetta st.

Mrs. Cerreto's husband, Joseph, reported that he had parked the automobile on Mission street in the afternoon. He returned for it at 9:45 p.m. and found it missing. Cerreto located the car at 11 p.m. parked on the corner of Alexander and Templeton.

A yellow Mercury club coupe, license 6-A11814, is still missing. The car, belonging to James W. Easter, 1568 Fulton street, San Francisco, was stolen from its parking place at 900 Hanover street sometime between 7 a.m. and 5:05 p.m. on Tuesday, Easter reported.

According to Easter he had been in the habit of parking in the same place every day for some weeks.

WIDOWS AND ORPHANS BALL TO BE BIGGEST ON RECORD

CRIMINAL ATTACK IS DENIED BY BUS DRIVER

Bernard Klees, 44-year-old Jefferson High school bus driver and reserve deputy sheriff, pleaded not guilty yesterday (Thursday) to charges that he criminally attacked a 13-year-old Daly City girl.

Entering his plea before Judge Thomas L. Bocci in municipal court, Klees was represented by Attorney John J. Fahey.

Preliminary hearing has been set for 9:30 a.m. Wednesday in municipal court.

Klees, 225 Los Olivos avenue, has denied completely the charges that he lured the girl to his home and raped her.

The attack allegedly took place in February, according to the girl, who police lieutenant Roy Beecher identified as the daughter of a prominent businessman. She did not tell her parents until a few days ago. The parents immediately notified the police.

Klees, who reportedly has an excellent record as a driver and sheriff's aide, was booked for rape and violation of a penal code involving crimes against children.

The girl reported that she had become acquainted with Klees, the father of two children, while riding in the bus with him.

CHECKING OVER about half of the 2500 tickets that have already been sold for the Daly City fire department's 21st annual Widows and Orphans ball tomorrow night are these local firemen. The bumper crop of tickets indicate that tomorrow's ball will be the largest on record. Proceeds go to the widows and orphans fund.

Members of the local department shown here are (left to right): Dick May, George De Bono, Captain Mel Hanson, Keith Schrock and Charlie Marshall.

"Hot" Letter Found In Daly City Mailbox

The mails won't come through for a few Daly City residents who have the misfortune to place their correspondence in the U.S. mail box at Mission and Flournoy sts. Saturday.

A total of nearly 75 letters were obliterated or badly scorched that afternoon after someone threw burning matches into the box, igniting the mail.

Firemen were summoned at 5:25 p.m. and emptied the contents of a water tank through the letter drop to squelch the blaze.

Just at that time a carrier came by and opened the box for the firemen, as they were about to force the lock so they could get at the burning letters.

About a dozen of the letters were completely destroyed, while others were partly burned or scorched.

Postmaster Vincent Murphy said that the ashes and remains of the letters will be sent to the Rincon annex for scrutiny by postal inspectors.

The fire department reported that matches were found in the bottom of the box, leading them to believe that children had set the fire.

POLICE CLAIM NO KNOWLEDGE OF PAULA'S ACTIVITIES

Broadmoor police said yesterday they know only what they "read in the papers" about Paula Winters, key figure in the San Francisco vice investigation.

According to a San Francisco newspaper article the Daly City call girl phoned a request for help to a San Francisco newspaperman. The report stated that the young woman was having trouble overcoming the urge for dope. The item continued to state that Paula knew several sources who would supply her with narcotics in a matter of moments.

She reportedly said her will to resist the purchase of the dope was weakening.

Broadmoor police Sgt. Don Tannehill stated that police had seen Paula in the area recently since her release from an East Bay sanitarium, but that they had no other information about her activities.

COUNCIL DIVIDED ON "INVESTIGATION" RULE

Mayor Joseph Verducci won a vote of confidence from the city council Monday night after offering to resign if the council felt such action would assure greater harmony within the city's administrative body.

Verducci offered to submit his resignation to the council after City Treasurer Paul Selmi stated, from the audience, that he felt the mayor was insincere in his announcement that the purpose of open meetings was to hear the criticism and suggestions of the citizens.

Heated Discussion

The mayor's action followed a heated discussion of a resolution proposed by councilman Del Wilson. In his resolution Wilson asked that "the council investigate all rumors."

In his comments of explanation Wilson stated, "We have heard some rumors tonight and I think that we should investigate all rumors and get to the bottom of these things. If they are true we ought to know and if they are not true we ought to know so we can put a stop to them."

The resolution was voted upon by the council after Wilson refused to "be more specific in the wording of the resolution."

Defeat Resolution

The resolution was defeated, three to two, in a roll call vote. Dennis, Vickers and Verducci voted against the adoption. Discussion continued however, even after Verducci attempted to move on to new business.

Selmi asked for recognition and curtly stated that the defeat of the resolution amounted to a "gag rule" in his estimation.

"You are afraid of something and you will regret that defeat of the resolution," Selmi stated.

Selmi's remarks were immediately answered by both Councilmen E. Dennis and Vickers. Following another exchange of words between the council and Selmi, the city treasurer commented Verducci was not sincere in wanting criticism and that there would be no harmony on the council if the mayor continued his "high handed attitude."

Verducci promptly stated his willingness to resign if the council held the same attitude.

Vote of Confidence

The entire council immediately denied that they were in sympathy with the opinion of Selmi and all voiced confidence in Verducci's administrative ability.

"There is one rumor that does need investigating," stated Mrs. Paul Selmi, deputy city treasurer, when the discussion of the Wilson resolution had ended. "The rumor that Police Chief Roland Petrochi was to be replaced was started by a disgruntled member of the Daly City police force, and that is a fact," said Mrs. Selmi.

"That is more like it," exclaimed Verducci. "If there is a definite rumor we will be glad to investigate."

Wilson and Vickers were appointed to an investigating committee but Vickers asked to be excused. Verducci then appointed Councilmen Michael De Bernardi and Dennis to investigate. Dennis called upon Mrs. Selmi for her cooperation but his request was denied by the deputy treasurer.

"You Run Down"

"You are the investigating committee, you get out and run this thing down," Mrs. Selmi said.

Wilson's resolution resulted from a statement by Thomas Callan Jr. that a councilman was in back of a move by property owners Walter and Evelyn Smith to block Callan's attempt to have the council approve a change in the set back line on Second avenue between Valley and Market streets.

Meeting On City Municipal Court Tomorrow Morning

City officials will meet with Municipal Court Judge Thomas L. Bocci Friday morning at 10 a.m. to discuss further plans for a local court, City Administrator Dan Andersen announced this week.

The purpose of the meeting, Andersen said, will be to determine what the judge will expect and what type of arrangements can be made for the convenience of the court meetings to be held here once a week.

The court will be held in the city council chambers so that there will be no additional money spent for court facilities.

The Muni court is under jurisdiction of the county, and any proposed local office would have to be financed by the county.

THE TOWN RECORD

By MONTE DAYTON

As if getting a cauliflower ear after answering phone calls from fretful mothers (re. the recent PW case) wasn't enough, the Broadmoor coppers almost got pinched last week for pulling a stick-up.

Dressed in plain clothes, Chief RAY SAVAGE and officer DON TANNER were frisking a couple of confidence men Friday in an arrest on MacArthur drive.

Naturally, shades were up all around the area. The neighbors thought the gendarmes were holding up the two poor unfortunates.

Paraphrasing the "Not recommended by Duncan Hines" slogan of a Reno eatery, three Jefferson Elementary School district board candidates have adopted this one: "Not recommended by the League for Better Schools."

Speaking of schools, why no publicity from local school boards on the granting of a total of approximately \$4000 in annual wage increases to the two superintendents?

DORIS OTTOBONI, local lassie, and UMBERTO CAPURRO, former Communist POW who was regaled in a regal manner on his return home from Red imprisonment last fall, have made it a date.

It'll be June 27 at Holy Angels church in Colma where the nuptial ties will be bound.

BILL DEGIANTONI, local roof mender, is on the mend, after a 17-day hospital siege with a condition that does described as cardiac.

Bill won't be at his trade for another month or so, but reports "business as usual" at his American Roof Maintenance Co.

Son-in-law DANNY MAGEE is taking care of the roofing chores in his absence.

KICK-OFF FOR SCOUT FINANCE DRIVE HELD UP

Kick-off for the annual Boy Scout finance campaign in Daly City and Colma has been set over to the first week in June, in order to avoid conflict with other local appeals, according to Robert Hunter, chairman of the business division campaign.

Assisting Hunter will be district finance chairman Fred N. Kruse, who has agreed to head up a residential solicitation for the benefit of the Boy Scout organization. Hunter and Kruse met last week with C. Russell Hanley and M. F. Powers, representatives of the Lake Merced district organization, to make plans for the money-raising effort.

No quota has been set for the campaign, Hunter said, with Boy Scout officials explaining that their objective is to organize sufficient local manpower so that every one in the area will be given a chance to contribute, leaving up to them and the community the amount which they wish to give. Kruse said that his residential canvass will depend on committees and den mothers from the local Cub and Scout groups for its personnel.

Kendree Is Manor Park School Speaker

Jack Kendree of Daly City, a member of the Re-elect Congressman Younger Committee Speakers Bureau, spoke Tuesday evening before the Democratic Forum when it met in the auditorium of the Pacific Manor school.

Kendree stressed the fact that in his first term, Congressman Younger has proved his ability by his outstanding service to all the people of this district, regardless of party, and deserves the support of every citizen of San Mateo county in his bid for re-election. Kendree pointed out Younger's record of effective cooperation with City and County officials from all parts of the county, and especially his work on the Pillar Point Breakwater project, has won him the highest regard of these officials for his intelligent work on their behalf.

WESTLAKE THIEF STAGES FOURTH PANTY RAID

A thief, who seems to have a weakness for nylon lingerie, struck the Westlake area again this week.

Mrs. E. Courtney, 80 Fairway drive, apartment 2, reported that five nylon night gowns, 3 girdles, 5 nylon brassieres, 3 pair of children's panties, 1 nylon slip and 6 pairs of nylon hosiery were stolen from the basement of the apartment building in which she lives.

Mrs. Courtney stated that the articles, all soiled, were in the basement where she was preparing to wash.

"I was preparing to wash when a man entered the basement and asked if a certain party lived there. I told him no," Mrs. Courtney said.

According to her statement Mrs. Courtney thought the man left. She went upstairs for a minute and when she returned she found the lingerie was missing along with a pillow case which police believe the thief took to carry the "load" in.

This is the fourth such incident in the past six months.

Spring Festival Date Set For May 23

The annual Spring Festival, sponsored by the Daly City Recreation department, will be held on Sunday, May 23, in Marchbanks Park and the War Memorial building, according to James Mason, head of the recreation department.

According to Mason the day-long program will include musical selections, acrobatics, dance routines, baton twirling, May pole dancing, the crowning of the May queen by Mayor Verducci and a National Guard review.

SCHEDULE PUBLIC MEETING FRIDAY ON TRANSPORTATION

An open meeting on transportation will be held Friday, May 21, beginning at 7:30 p.m. at the Daly City council chambers.

In charge of the session will be the council's transportation committee, headed by Councilman Del Wilson.

All interested parties are invited to attend and are urged to take an active part in this discussion.

"This meeting is being held to give everyone concerned an opportunity to become informed on all propositions which have come to the attention of the city council," the committee said.

Council Divided On "Investigation"

(Continued from Page 1)
Callan's request Wilson asked permission to make his resolution to investigate rumors.

In other action taken by the council, James Mason, recreation department head, was ordered by the council to work for the improvement of the Lincoln park problem.

Complain of Park

Letters were presented the council, from property owners in the Lincoln park area, complaining of the poor appearance and administration of the park. The letters requested that the area be locked during the hours that it is not being supervised by a member of the recreation department. The letters also made frequent mention of the malicious and discourteous conduct of the youngsters using the park.

According to City Administrator Dan Andersen, the Lincoln park area is to be improved to include a "tots" play area in the near future.

Transportation

Wilson announced that on Friday, May 21, there will be an open meeting on transportation. The meeting will be held in the council chambers in the city hall at 8 p.m.

"Anyone who is interested in transportation in Daly City is invited to attend," said Wilson.

"No action will be taken at the meeting, but a number of proposals will be discussed," Verducci explained. "We hope that the people will come to this meeting and tell us what they want. There have been proposals that we bring jitney service into the city. There are two bus companies that want to come in. We will try to have representatives from all these groups here. We will also have a representative of the San Francisco Municipal Railway here."

USF Has Record Election Turnout

With a record-breaking eighty per cent of eligible voters going to the polls, Associated Students of the University of San Francisco Friday elected James D. Cavanaugh as president for the 1954-55 academic year. Cavanaugh, a resident student from Tacoma, Wash., defeated his opponent Leo McCarthy by a 114 vote margin.

Cavanaugh, a Business major at USF and graduate of St. Martin's high school at Olympia, Wash., was this past year vice-president of the ASUSF.

Elected as vice-president in a tight race was Joseph D. Sangiacomo, 763 37th avenue, San Francisco, a George Washington high alumnus. The new "veep" defeated Greg Hadley, his opponent, by a 73 vote margin.

In the two other administrative offices no candidate received a majority of the votes and a runoff election will be held Monday for posts of corresponding secretary and recording secretary.

For corresponding secretary the runoff will be between Richard Wall and John T. Murphy; for recording secretary between Jerry Harrison and Edward Serres.

James Skidmore, 3710 Fillmore street, and Sacred Heart graduate, won the post of head yell leader succeeding Dick Behelli.

Seagraves Given Endorsement By Railway Clerks

Roy W. Seagraves, candidate for the office of San Mateo county's District Attorney, has received the endorsement of the Brotherhood of Railway and Steamship Clerks, Local 854, it was learned today following announcement that a letter signed by the union organization's legislative representative has been received at Seagraves' campaign headquarters in Burlingame.

In this letter, Representative S. A. Buckley of Local 854 informed Seagraves that the recommendation to endorse his candidacy for the office of District Attorney had been accepted as the result of the group's vote on Tuesday, May 4.

This followed by less than 24 hours the endorsement of Seagraves for District Attorney by the Labor League for Political Education, political arm of the AF of L in San Mateo county.

Seagraves is the only non-incumbent candidate in the San Mateo county June primary race to receive the Labor League's endorsement. Other candidates endorsed as a result of the League's vote are seeking re-election to the offices they now fill.

LET'S DO IT UP RIGHT!

With "Clean-up" week in Daly City just around the corner the time seems appropriate to take another look-see into the abandoned vehicle situation.

On a good clear day, standing on a reasonably elevated promontory anywhere in town, odds are you can spot at least five junk heaps squatted unceremoniously in Daly City's public thoroughfares.

If the owners claim they are operative vehicles, then it's the first time we've seen a car run without benefit of motor or inflated tires.

In addition to being down right outrageous eyesores, these metal derelicts are a constant menace to the community's safety, especially to children.

Anyone who has ever seen one of these man-traps need not be told in great detail the safety menace that exists to children playing near them.

Daly City has an ordinance prohibiting over-night parking. This might be used as an implement to rid the city of these metal menaces.

There's only one catch, however. The police are authorized only to tag the car. There is no provision in the ordinance which gives police the power to haul the heap away.

We believe the ordinance needs more teeth in it, if it's the only solution to this problem.

In addition, we think some legal provision should be made so that the city would have tow-away jurisdiction over autos left abandoned in lots, where they constitute an even more serious danger to youngsters because of their accessibility.

If Daly City is going to conduct a "Clean-up" week, let's take care of the whole trash pile instead of just whisking some of the dust off the exterior of the city's front.

THE INVESTIGATION KICK

Precedent set by the McCarthy hearings notwithstanding, we'll have to go along with the majority decision at Monday night's council meeting at which Councilman Del Wilson's proposed "rumor investigation" resolution was turned down.

While the "investigation" as such has acquired ever-increasing national popularity and usage since McCarthy announced the discovery of communism, we believe a municipality like Daly City should restrict its use only to matters where the council first knows what it's investigating.

Wilson's proposed resolution that the council "investigate all rumors" would surely have necessitated the maintenance of a council larger than five men.

Had the resolution, also approved by Councilman De Bernardi, passed Monday night the council might still be in session probing rumors thither and yon.

If the council wants to hunt rumors, better they find one particular species, tack it to a board and place where all can view.

With so many rumors floating around in the Daly City ozone a resolution that "the council investigate all rumors" would surely leave our city fathers' faculties taxed.

We know ours would be.

Let's identify our home town rumors and attack them one at a time.

Marine Reserve To Hold Open House Sunday, May 16

Sunday, May 16, from 1 to 3:30 p.m., will be open-house at the Marine Corps Reserve Training Center, San Bruno. Occasion for the open-house is the last day of Armed Forces Week in the local area.

Highlight of the celebration will be the presentation ceremony and parade starting at 1 p.m. The Silver Star award won by Private Jack S. Fischer, USMCR, will be presented (posthumously) to his sister, Mrs. Karla Buckley, 505 11th avenue, San Francisco. Major Burt B. Sorensen, new 7th Infantry Battalion commander, will lead the Peninsula Marine Reserves in the ceremony and presentation. Immediately following the parade and ceremonies a brief respite will be provided by a short information movie.

Taking to the field at 2 p.m., the Peninsula Marine Reserve will put on an outdoor demonstration of combined tank-infantry tactics using an M-47 tank and crew provided by the 1st Tank Company, Marine Corps Reserve.

The day's program will conclude with marksmanship training demonstrations conducted in the new Marine Corps Reserve indoor .22 calibre rifle range.

Major Sorensen emphasized in his statement about the local Marine Reserves Armed Forces Day festivities, "Our purpose this day will be to acquaint the public with portions of our training and facilities for hometown Marine Reserves. Everyone is cordially invited to attend our program and get acquainted with their hometown Marine Reserves."

Registration Date Set For Scout Camp Trip To Sonora

Registration for the new North San Mateo County Girl Scout Camp at Sonora will take place Saturday, May 15, at Colma Town Hall, El Camino Real, from 9 a.m. to 1 p.m.

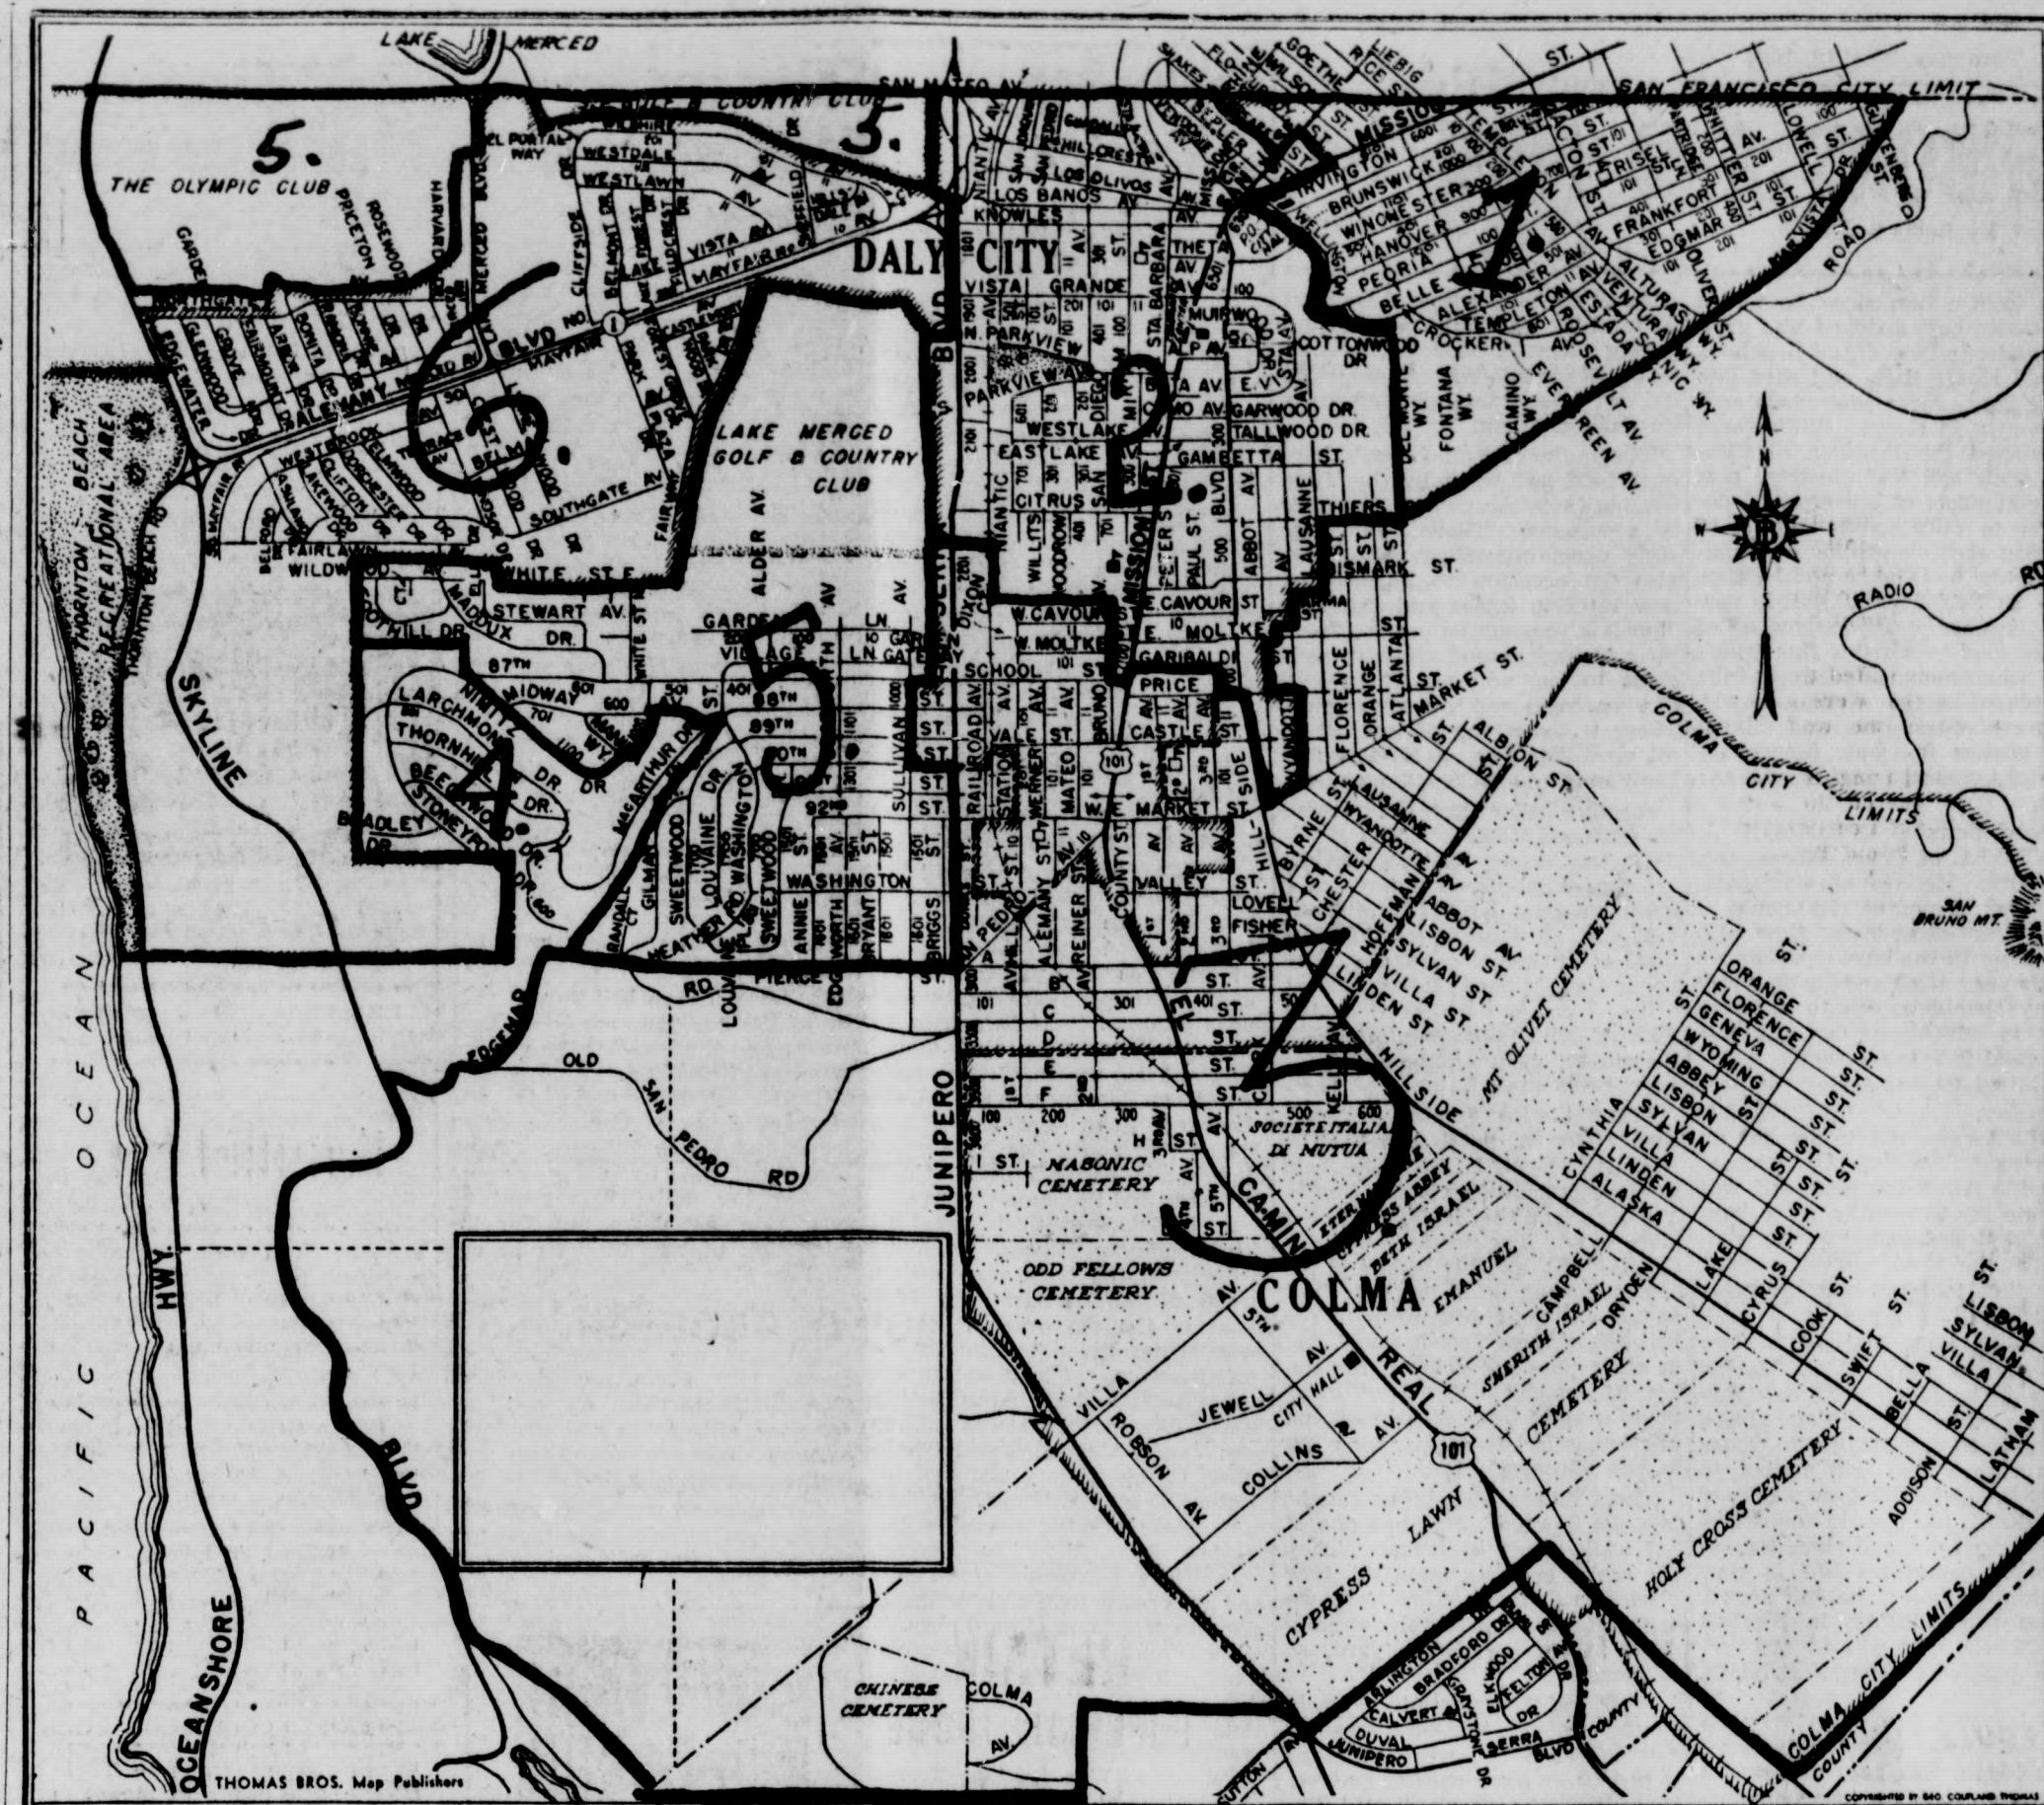

As in previous years, the camp operated by North County will accept "Fly-ups" who will be ten years of age or in the fifth grade in September. Sonora is open to all Girl Scouts in San Mateo county.

Because of population increase, the camp will operate four sessions of twelve days each, starting June 28. Cost of each session is \$32.50 which includes transportation. Registration will be accepted only on an individual basis.

Camp Sonora is situated in the Sierra foothills, four miles north-east of Sonoma. Campers will live in "villages" of approximately twenty girls and three counselors. Here the girls will live out-of-doors, taking an active part in the planning of camp program.

This year Sonora has been chosen for the "Counselor-in-Training" program for older Senior Girl Scouts. These girls from the three Girl Scout Councils in the county, will be at camp the first four weeks of the camp season, working and studying in their own unit.

For the older Intermediate Scouts, there will be a Ranger Unit at camp, with their own special program, advancing their pioneer camp skills.

McKay Says "Stacked Slate" Charge In Jefferson Trustee Race Is "False"

Dear Editor:

Some political advertisements, extolling the virtues of "Three Daly City Men," have appeared in your paper that cast reflection on the League for Better School.

As an individual that represented one of some thirty civic organizations that made up the League, I would like to point out the stupidity and falsity of the charge of a "stacked slate" of candidates representing the League.

As background, let me emphasize that I was a delegate representing one civic organization and was not sent to participate in the League's activities as a rubber stamp. Each delegate represented some civic organization and collectively they functioned as the League. Acting collectively, we established two purposes: (1) to seek out and persuade able persons to run for school boards of trustees, and (2) to assist school administrators and trustees in obtaining the best educational system possible.

To achieve our first purpose, a committee was appointed to find out the ideal qualifications for school trustees. This committee set up a list of nine rigid qualifications. The list of rigid qualifications was then given to a "candidate's qualifications" committee for the express purpose of finding people that would meet the qualifications.

This latter committee was charged with the duty of evaluating all names submitted by any person (whether or not a delegate to the League) and measure them by the rigid qualifications established.

The candidates' qualifications committee was comprised of six active members. As a member of this committee and chairman of it, each one of the other five members was a complete and total stranger to me before the formation of the League in February, 1954.

So I, along with five total strangers, have been accused of rigging a "stacked slate" of six candidates. Here are the facts—

FIRST: The League endorsed six persons for three vacancies, a minimum of two for each vacancy thereby giving the voters a selection of qualified persons; the "three Daly City men" are running for three vacancies—they offer no free choice.

SECOND: The League endorsed six persons from the whole area comprising the school district; the "three Daly City men" all reside in and would represent the Westlake area of Daly City.

THIRD: The League endorsed candidates diversified in their background and interests with no two representing special interests of any one class of persons (other than parents) or organizational group; the "three Daly City men" are all directors of the Westlake Improvement Association and represent the real estate interests of that area.

FOURTH: The League endorsed candidates were required to measure up to and meet prescribed qualifications established by persons with knowledge of school needs; the "three Daly City men" have not been measured by these standards.

FIFTH: The League endorsed candidates that were selected by the delegates in open meeting and these candidates were later persuaded to become candidates and serve, if elected, as trustees; the "three Daly City men"—no information how, when, or why, they decided to run.

Very truly yours,
JAMES T. Mc Kay

Cotton, Dematteis Endorsed By SM County Bar Group

Superior Judges Aylett R. Cotton and Louis B. Dematteis have received the official endorsement of the San Mateo County Bar Association.

Both Judges are seeking return to the superior court bench at the June 8 primary. They were the only candidates to receive the co-

School Board Not On Trial Says Reader; Objects To 'Rubber Stamp' Charge Made

Dear Editor:

The present Jefferson Elementary School Board is not on trial. Therefore, I object to the line of fire directed at the board in last week's Record, titled, Trustee's Platforms.

I am sure the readers will agree with me if the present board were acting as a rubber stamp to the superintendent it would not take till 11 or 12 o'clock each school board night to enact the business of the school.

True the board may not do everything as you and I think we would do it. But the voters of this community elected these three persons, not only once but twice,

and one man has served his third term, to transact the school business to the best of their ability.

If the candidates would attend school board meetings they could get first hand information about the philosophy and function of the school.

My hat is off to the three working people that give so generously of their time to weigh each and every problem brought before them. No one ever goes unheard.

This is one citizen's thanks to the much too often forgotten public servants.

Marie Sorensen

PTA Appreciates Publicity

Dear Editor:

On behalf of the Woodrow Wilson PTA I wish to thank you very much for the courtesy and cooperation you have shown us during the past year in publishing reports of our activities in your paper.

It is this kind of cooperation

which makes it possible for our community to keep up with the activities of our group even though they cannot be there in person.

Again, thank you very much,

Very truly yours,
Mrs. Anna R. Lobel

Paper Drive Was A Success

Dear Editor:

We wish to extend our appreciation to you for publishing the notice of our recent paper drive and your donation of newspapers. We are very happy to say the drive was a success.

Thanking you again,

Sincerely,
John Murtagh
Chairman

veted support of the county's attorneys.

Announcement of the endorsements was made by Bar Association President Robert Dell Ergo, Redwood City attorney, who explained that support of the two candidates was voted by secret ballot.

Judge Cotton, recognized as one of California's outstanding judicial figures, is seeking his fourth term. His public record includes service as federal prosecuting attorney of Manila, chief deputy district attorney in San Francisco and mayor of San Mateo. He was appointed to the office he now holds in 1935.

Judge Dematteis, youngest of San Mateo county's four judges, was appointed to the newly created fourth superior court last September. At the time of his appointment to the bench, he was completing his second term as district attorney.

Safety News From Your Local Police

DRUNK DRIVING

Drinking drivers cause an undue proportion of all fatal and injury accidents in California. These drivers include those obviously drunk and those who claim they just had "one or two." Tests prove that even one or two drinks inject enough alcohol into the human system to slow up its reaction and upset the judgment the driver may need to prevent an accident. If you drive, don't drink. If you drink, don't drive.

THINKING AHEAD

You can save lots of traffic headaches by selecting the proper lane for each driving maneuver you make, and by not changing lanes without reason.

Better drivers think ahead and choose the proper lane for turning right or left or for driving straight through.

MARGIN OF SAFETY

Your "margin of safety" when driving is the distance you can see clearly ahead of your car. To maintain that safe margin, don't follow another car too closely, never pass on hills and curves, and don't drive faster at night than your "margin of safety" will permit.

CHANCES BEST UNDER 50

When you drive under 50 miles an hour your chances of keeping out of an accident are five times better than when you go over 50. And if you do become involved in an accident, you have three times as good a chance of coming out of it alive.

ACCIDENT REPORT

(May 2 to May 9)
Total: Eight.
Breakdown: Six auto-auto: Two auto-pedestrian.

TRAFFIC ON BRIDGE

A total of 7,380,009 motor vehicles passed over the San Francisco-Oakland Bay Bridge during the first three months of 1954, according to the National Automobile Club. This brought the total number of motor vehicles to pass over the bridge from its opening to March 31 of this year to the 378,646,203 mark.

My Mad World

By Leonore Brewer

We have recently been attending the Art in Cinema Series at the San Francisco Museum of Art, viewing some of the early films such as "Intolerance" and getting a fresh perspective of Hollywood.

Last Friday evening featured Mr. Vincent Minelli, one of the directors famed for that most typical Hollywood opus—the musical. The initial brochure promised that he would illustrate his discussion with the ballet sequence from "An American in Paris," and the 1944 Judy Garland treat, "Meet Me In St. Louis." We were positively slobbering with anticipation.

Alas, our joy was short-lived. It didn't live any longer than it took us to glance through the evening's program. "Meet Me In St. Louis" had been cut down to one sequence only, and "An American in Paris" ballet was not scheduled until the very end, making it impossible to leave early.

It would serve no purpose to enumerate the ten sequences chosen by Mr. Minelli to illustrate his work, unless we had the time to elaborate upon the question as to whether any artist, and that includes some directors, is able to choose his own best work.

It is sufficient to say that of the ten only four defined his place in the tradition of the musical. Another (from "The Clock") was apparently thrown in as a crumb to appease those who came to see Judy Garland; two were from completely non-musical films; and one, from "The Long, Long Trailer," was preposterous. You may recall it, though I hope not: the "making-the dinner while in a moving-trailer." Until Friday we had been successful in avoiding it, and it is a horrible thought to think that one is not safe even in a museum from such fugitives from the TV screen. What was left of "Meet Me In St. Louis?" The Halloween bit featuring a completely delightful child who unfortunately grew up to be Margaret O'Brien.

It was a frustrating evening, with only one bright spot: in the post-screenings discussion Mr. Minelli said that "Meet Me In St. Louis" is still available. Hm-m-m.

You know, Mr. Honore, if you were to book this at your SEAVUE, we can personally guarantee six customers, one of whom will attend every performance!

LION TALES

By Joseph Bell Jr.

Mr. H. Z. Ted Weibel, superintendent of the Jefferson Elementary schools, was installed into the Lions club at the last weekly meeting by the past president, Stanford Hannah.

Also held at the luncheon was a special board meeting at which time Lion Sam Felsler submitted two names for membership into the club and they are Vincent Murphy, Daly City postmaster, and Howard Neff, manager of the Serrano theater. Both prospective members were approved by the director and thereby will be installed into the Lions club within the near future.

Guest speaker for May 19 will be A. Ray Skeets of the Lucky Lager Beer company and in addition we are to have the pleasure of hearing Lion Gil O'Shaughnessy and his "wild horn" with Lion Les Morgan (Burlingame lions) playing the piano.

The duties of the chairman of constitution and by laws committee are to see that copies of constitution is in hand of every member. Keeps copy up to date and sees that members are furnished with amendments and additions. Summarizes salient points of constitution and reads them at least quarterly before the club. The chairman of above committee is R. L. Crane.

The convention committee is under the co-chairmanship of Ira Neville and Gil O'Shaughnessy and their duties are to inform the club of number of delegates it is entitled to at district and association conventions where and when these conventions are to be held. Makes detailed analysis of expenses per delegate, including transportation costs, room reservations, hospitality book, etc., and cooperates with finance committee in seeing that budget provides necessary funds, or that proper plans are adopted for raising convention funds. Secures from Lions International district and association committees information and all questions relative to conventions.

YOUR NEIGHBORS AND MINE

By Betty Bruah

Hello, Neighbors:

Another week's news is here for you again. Mother's Day with all its homage to our favorite girls has passed and even though the weather was miserable outside the love of all of us for our mothers made the inside of homes and hearts warm.

The first piece of news for the folks is one that is definitely in the category of a gripe. There are so many wonderful things that are being done for the children of our town that it is a shame that a few incidents are allowed to spoil them. Now that the elections are over maybe something can and will be done to remedy the situation. Seems like any articles of clothing laid down at the Community Center is apt to get up and walk away, by itself of course. It really doesn't matter just what it is either. Suede jackets, money, and now a brand new pair of shoes has disappeared from the center. These all happen on the nights when there are supervised events such as the folk dancing or basketball. We all know that youngsters will pick up things BUT why don't their parents make them send them back. They know that they must belong to someone else and in this day of high prices, a pair of brand new shoes comes rather high to all of us. There should definitely be some facilities for the clothing to be safe or someone should be assigned to watch it. Most of all, how about a little of the golden rule among the parents?

Having a birthday on May 8th was one of the neighbors to whom many of us at one time or another could, without knowing, be indebted. MRS. MARY WAKEFIELD is one of the most consistent of blood donors and all of the neighbors wish her a happy birthday and thanks for everything.

ITEMS OF INTEREST

Friends and neighbors are most happy to see MRS. ROBERT TURNER of Winchester street among them again. She is now home from a recent visit paid to Franklin hospital and all the folks hope that she stays well as they miss her friendly ways when she is gone.

A very little but, oh, so mighty young lady has a birthday this week. Little NANCY POWERS of Hillcrest drive has reached the ripe old age of two years. She is without a doubt one of the cutest youngsters with the most personality that it has ever been my pleasure to meet. A happy birthday is wished Nancy from all her little friends and all of us who know her. It is really going to be fun to watch this little one grow up.

News of one of the erstwhile Wandering Harlan, "FOOFIE" HARLAN has received a safety award. This represents 50,000 miles of safe driving on her pet motorcycle since 1950 with no accident of any kind. That is really something to be proud of and a goal for all of us.

One of the birthdays that should have gone in last week's edition was that of MISS LINDA BERNZOTT, granddaughter of MRS. DOROTHY STEWART of our town and daughter of Mr. and Mrs. WILLIAM BERNZOTT of Santa Cruz. The young lady was hostess to many of her little friends on this occasion and many happy birthdays are wished her from all the folks, too.

PHILIP GREEN of Broadmoor Boy Scout troop is a very proud and happy young man of 14 years. He has just recently received star rating in his troop which is quite an achievement as anyone who knows scouting well knows. Congratulations, Phil.

Among the very newly married who have been feted lately are Mr. and Mrs. ART COLVIN of Bellmar street. Among the latest to entertain them are Mr. and Mrs. Frank Blam, Mr. and Mrs. Stan Andersen, Mr. and Mrs. H. S. Garrison and many others. They are now in their new home and all the folks wish them much happiness in the future.

Another of the neighbors has taken off on a short trip. MRS. G. W. FLOOK, mother of MRS. STANFORD HANNAH, left us a while back for a visit to Lake County where she visited relatives and friends and had a grand time.

Having a birthday and playing host to many of his friends was TEDDY GORDON of Garden Grove. After a dessert luncheon which was enjoyed by all, the indefatigable MRS. GORDON accompanied all the little guests to the Cow Palace to the big event which was being held there.

New babies are so much fun and more so when you know their parents. MR. and MRS. JAMES EAGEN are the proud parents of a new son born last week. The young man checked in at 6 lbs., 5 ozs. and has been named James Eagen Jr. Congratulations, kids, on your new baby from all the folks.

SERVICEMEN
I am never so happy as when I can write about one of my boys who has done his job for the rest of us. This one happens to be one of those most dear to me. I

have known him since he was a very little boy, watched him grow up, graduate from O.L.P.H. school, Sacred Heart High, and then into Uncle Sam's Army where he served 14 months in Korea. While there he earned the Presidential Citation with oak leaf clusters, plus other symbols of bravery and devotion to duty too numerous to mention according to his shy manner. Now he is home and to stay. CPL. ROBERT E. STONE is now a civilian again and one of all of us are glad to see this fine young man back among us ready to take his place in the civilian world. Congratulations, Bob, and all the best wishes for your future are sincerely wished you from all the folks.

Heard news of CPL. PAUL A. MITCHELL of Spitel, Korea, too, this week. He is on his way stateside after 18 months and should be at my front door at any time. He is another of the boys to whom we owe so very much and have no way to say thanks except to welcome them in our homes and say just how good it is to see them.

Said goodbye to one of the boys yesterday. A2/c RICHARD PHELPS came out to see me on his way to Korea. He was at Amarillo Air Force Base and will be gone for 18 months. The boys come and the boys go—one wonders if the time will ever come when they will be ever home —TO STAY.

PFC. JAMES MINOR of Los Olivos street and the U. S. Marine Corps is home on a 21 day furlough after completing basic training at Camp Mathews. After his furlough Jim will report to Camp Pendleton for four weeks of specialized training in construction engineering and then for assignment overseas. Jim is very well known among the Jeff crowd, having been all-PAL in football in 1953 where he was a very versatile left end. Happy holidays, Jim.

PFC. DANNY SAVAGE who has been at Camp Mathews is home on furlough. He, too, will return to Camp Pendleton after his furlough for further training in the field of carpentry. While there he made the marksmanship medal. All the best is wished Danny on his furlough and in the future from all the folks.

PFC. BILL FROST of the U. S. Marines is another of the boys who is enjoying a well-earned furlough after completing basic at Camp Mathews. Bill, unfortunately, will be separated from his buddies, Jim and Danny, as he is due for assignment to a tank school in the south for eighteen weeks. All the best wishes go with him from all his friends and neighbors.

Another fine young man has been with the Marines for the last month. JOE EAGEN, son of Mr. and Mrs. Arnold Eagen of Los Olivos avenue, having spent three years in the army and then tried civilian life decided that he would like to try what the Marines had to offer. He is at the present time at Camp Pendleton and should be through basic in a little while and then home to see all his friends. The army's loss is certainly the Marine's gain as Joe is one of the best.

NEWS AND VIEWS

Sympathies of all the neighbors are extended this week to the family of MR. ALFRED PACE who passed away very suddenly last week due to a heart attack. He was sixty-four years old and a most loved father and grandfather. The remains were shipped to Oklahoma for burial and the thoughts of all who were privileged to know and love him went with him.

One of the nicest forms of entertainment was held at the Community Center last week. It was the MUSIC FESTIVAL PROGRAM put on by the students of the COLMA 8TH STREET CROCKER and WESTLAKE school students. The orchestra was really very good and the soloists were remarkable for grammar school children. There was one young lady who is a future Marian Anderson with all the voice, poise and stage presentation of a much older performer. The final number, AMERICA, was most inspiring with the orchestra and vocal.

Those present were: Andy and Tanny Pansini of Greenbrae, former residents of Broadmoor; Bob and Vivian Leech; Vic and Mabs Guz; Carl and Norma Wandt; Walt and Darleen Brand; Trevor and Ruth Jones; George and Doris Chichester; and Frank and Fran Dethlefsen.

LOUVAINE DRIVE

Tom Gantert has returned home after spending 10 days in New York City, Chicago and Minneapolis.

Karen Courtney was 6 years old on May 6th and celebrated by having a group of little friends in for fun and then her mother served cake and ice cream. Those present were: Rayme and Beth Lichtenberg; John and Jan Rizzo; Marty Warmoth; Lee Masterson; Dennis and Michael Buell; Cindy Krueger; and Stephanie Winters.

Bobby Bjorkquist celebrated his 5th birthday on May 5th by having a party in the back yard with a group of his friends. The high point of the day was the set of new swings given to him by his grandparents. Those attending were: Ricky and Barbara Gantert; Marty Warmoth; Dennis Ellington; Janice Cabrol; David Bjorkquist; Carolyn Bjorkquist and his brother, Scott Bjorkquist. Bobby's aunt, Mrs. Jack Webb, and grandmother, Mrs. Myrtle Lercari, helped Mrs. Bjorkquist serve cake and ice cream to the eager group after an afternoon of hard play.

Jack and Lorraine Bjorkquist were a lucky couple last week—they won \$10 at the Holy Angels church's drawing.

MADDUX DRIVE

Friends of Mrs. Saylene Rosenberg will be glad to learn that she is improving so well that she is spending Sundays at home.

Kathy Proctor is confined to home with measles.

MANILA

Mary Ann Andro celebrated her 4th birthday on May 3rd. A group of little friends were invited in to spend the afternoon.

Mrs. Joe D. Zaharko and daughters, Patty Gail and Wendy, of Wilmington, Delaware, are visiting at the home of Mrs. Zaharko's parents, Mr. and Mrs. Will J. Davis.

Mr. and Mrs. Herman Seftel of New York City are the house guests of Mr. and Mrs. Seymour Seftel.

MIDWAY

Mrs. Grace Crofton spent several days last week in Sonoma.

Tommy Crofton had a scare last week that frightened him so badly that he won't go in the garage—he ran his arm through the washing machine wringer.

NIMITZ DRIVE

Mrs. Dale Stookey spent last week in Oakland with her sister-in-law, taking care of her new nephew.

MR. and Mrs. Herman Seftel of New York City are the house guests of Mr. and Mrs. Seymour Seftel.

The morning of May 23 communion will be held for the Mother's club, followed by breakfast in the school hall.

Trustee Candidates Announce Platforms

Katherine Mullen

I offer my services to the Jefferson Elementary School District out of my background of experience, as a taxpayer, a mother of three children in our public schools, and my years as an officer and chairman in local and district Parent-Teacher Associations.

I believe:

1. Children still come first.
2. Let's put first things first. Our children, our most important asset, need all our help in becoming good citizens. How are we going to instill good citizenship in our children?
3. Our responsibilities as parents lies mainly in three directions. Home: Provide love, security and understanding. Church: According to one's religious preference, show them the Love of God by being good parents. School: Give them the best education we can, because through education we stimulate a quest for knowledge. Therefore, support and take an active part in the schools of our community.
4. I am a firm believer in public education. Through this means we can do the best for the greater number of children. I ask you to THINK. Think seriously and clearly of our American privileges and responsibilities. Think also about this: Even if every cent of our tax dollar was spent on education, could we pay for the education of our children in our lifetime?
5. Let us not think today so much of ourselves, but of the children of today and our responsibility to them. Give them a good education, instill in them the qualities for good citizenship and they will assume their responsibilities well in their own generation.
6. I make no promises except to do my best to fulfill the trust you will place in me if elected.

Francis A. Gates
I promise that if I am elected Trustee of the Jefferson Elementary School District I will devote my fullest effort to:

1. Eliminate double sessions from our schools.
2. Provide equal educational facilities in all the elementary schools of the district without favor or partiality.
3. Maintain a high standard of education at as reasonable a cost as possible to the taxpayers.
4. Carefully examine the building program of the school district in order that suitable buildings be provided when needed without excessive cost; and to insist upon the proper performance of all construction contracts.
5. Promote the efficient administration of all school district activities and financial transactions.

Faithfully perform all the duties required by law of an elementary school district trustee and strive toward a harmonious school board working together for the better education of our children.

Roy Arneson
I have been honored by being asked to run for Trustee on the Jefferson Elementary School Board by the League for Better Schools. Therefore, I filed as a candidate to run for the office of regular member. Realizing this is a very important post to fill, with all the problems of class shortages and half-day sessions and the need for added teachers and specially trained personnel for those children needing special attention; the retarded, the sensitive, the below-average and the fearful. Also in this class is the bright child. Being restrained by having to participate in the normal routine work of his average classmates, is another drawback in our school system.

We cannot say we do not have the best in educators. They are and have been striving to correct the past and present situation—but they need support in a progressive, fighting school board, and my aim is to help achieve this. Knowing that the Parents and Teachers Associations are doing their best to cooperate with the schools and board in all these problems gives me an added incentive to want to help. They are fighting for the best for their children, your children and my children. It may take time to get the best for them, but let us at least get better fast. If you can not see a vote for me, may I suggest your votes for the other candidates endorsed by the League for Better Schools.

MASON TO ADDRESS WOODROW PTA UNIT
The next regular meeting of the Woodrow Wilson PTA will be held on May 18, at 1:15 p.m. in room 10 of the school.

James Mason, head of the Daly City recreation department will be the featured speaker at the meeting. Theme of his address will be "Opportunities in Recreation."

The executive board of the unit met in the home of Mrs. L. Farina on May 4. At that time plans for the coming year were formulated.

Among those PTA members attending the 17th district installation of officers at Pescadero were: Mrs. Ethel B. Hahn, Mrs. O. Simonsen, and Mrs. F. Cunningham.

Pastor Announces Sermon Topic For Vista Grande

"Now you are in the church," is the sermon theme of Howard Patrick McConnell at the Vista Grande Avenue Christian church Sunday morning at 10:55 o'clock. The sermon is in honor of the large group of new members recently coming into the church. The church is located at 101 Vista Grande avenue.

The men of the church and their friends have a dinner program Friday evening (tonight) at 7 o'clock. Charles Baldinger is president and Keith Sigars vice-president. Oliver de Graaf is secretary-treasurer. The meeting this month is being handled by Lorin Rand, James Hatchel and Clifford McMillan. Featured on the dinner program will be the showing of the famous color motion picture, "An Idea Takes Wings."

The men of the church have recently completely renovated the kitchen, and the women have purchased dishes and silverware, and 12 new dining tables capable of seating 175 guests. The outside of the church building is to be painted in the near future.

MORE THAN 2500 ATTEND VILLAGE FAIR AND FESTIVAL AT LOCAL SCHOOL

Broadmoor Village, Garden Village and all the neighboring communities went to the Fair last Friday and Saturday at the Garden Village school grounds.

All the co-sponsoring organizations were kept busy at the games and bake booths, the exhibits rooms, the snack bar, the candy, soft drinks and balloons booths, the movie room and the photography studio. Airplane and train rides thrilled the youngsters, and the students of the Benjamin Franklin and Garden Village schools made their teachers and parents pleased and proud of their excellent program on Saturday afternoon. As an event planned by, worked for and enjoyed by the community, the Village Fair and Festival was a great success, officials said. It was estimated that about 2500 people attended.

To date, enough bills are still outstanding to make a complete

and accurate financial report unavailable, but such a report will be made as soon as possible; a copy will be sent to each participating organization. Meanwhile, a representative committee is being formed which will start planning the recreation program for which the benefit Fair was held; this committee will handle the disbursement of funds necessary to establish such a program.

In addition to the local organizations previously listed as co-sponsoring the event under the general chairmanship of Ray Logan, there were the Teen Toppers, a local teenagers group, with Gary Baker as their president. The student program was augmented by music from the Jefferson Elementary band, under the direction of Mr. Snyder, folk songs by Dick Stookey and square dancing by the Calico Clickers, under the direction of Mrs. Muriel Pabst.

PART of the throng of more than 2500 persons that gathered last weekend for the Village Fair and Festival is shown here at the Garden Village school in Broadmoor. All types of booths were available, along with a miniature train for the youngsters and varied musical and dance program. The affair was believed to be the largest of its type ever held in Broadmoor and neighboring communities. THE RECORD photo

General Pershing PTA Members See Fashion Show

The girls of Mrs. Ruth Mayo's eighth grade class at the Colma school presented a fashion show for the members of the General Pershing PTA unit at the May 4 meeting of the group.

The girls modeled skirts, vests, and nightwear made by the class during the past term. Nancy Goldkuhl narrated the show.

Members of the unit heard an announcement that Carol Robertson was elected to represent General Pershing school as an attendant to the queen of the Daly City May festival on May 24, Mrs. G. K. Nodenfield said.

Mrs. Ted Weeden volunteered to help in the General Pershing ice cream booth at the festival. Mrs. Robert Keith, president of the unit, requested that volunteers to assist Mrs. Weeden contact her at JU. 5-4191.

The following chairmen have been appointed for the coming term, according to Mrs. Keith: Chrysanthea Lekas, art; Mrs. Clyde Noe, budget and finance; Mrs. Ben Gardner, character thought; Mrs. A. W. Robertson, Founders' day; Mrs. Roger Gilmore, health; Mrs. Clarence Sclaroni, hospital; Mrs. George Naylor, membership; Mrs. John Bayson, life membership; Mrs. Arthur Brown, committee; Mrs. E. E. Armed Forces Day Activities At San Bruno Planned

Armed Forces Day activities, Sunday, May 16, will consist of Open House at the California National Guard Armory, Tanforan Navy Base, San Bruno. The army's new 2½ ton hydromatic truck will be displayed, along with other new equipment recently developed by the army. All friends of the guard and former service men are invited to come down and take part in this open house, it was announced by Lt. Brown, Commanding Officer, Battery B, 149th AA Bn.

The activities of Battery B are to be coordinated with those of the Marine Reserve Battalion, who have planned a formal guard mount and a silver star presentation from 1 to 5 p.m. There will also be a rifle match between the National Guard and the Marines in the new rifle range. It is hoped that there will be a good turnout for these events.

Parents Of Eighth Graders Hear Jeff Hi Administrators

Mrs. E. M. Henschman, financial secretary of the Bayshore PTA, gave a luncheon in her home for the members of the budget and finance committees on Thursday, May 6. Mrs. Wayne Liebert, president of Bayshore PTA, her executive board members, and several of the chairmen attended.

Administrative members of the Jefferson Union high school addressed the parents of the eighth grade students on the subjects taught in their school.

Speakers were: Mr. John Morgan, vice principal; Mr. Glen South, dean of boys; Miss Ada Woods, dean of girls. Bayshore PTA served refreshments.

DALY CITY SCOUTS TO PARTICIPATE IN CAMPOREE AT JULIUS KAHN PARK

Boy Scouts from Daly City will take part with other Lake Merced District troops this weekend (May 15-16) in a camporee to be held at Julius Kahn Playground in the Presidio, under the general direction of Camping Committee chairman Ralph S. Parkington.

Troops will camp by patrols, with each patrol of scouts responsible for their own shelter, cooking, and camping techniques. Scoutmasters and members of the various committees will assist as judges and supervisors of the various contests and activities. Included in Saturday's program are check-in and inspection of packs, setting up of campsites, a mystery hike, and competition in a series of five field fun events. Saturday's activities will conclude with a campfire from 8:30 to 9:30, following which Scouts will retire for the night.

Sunday morning will feature religious services at nearby churches, demonstrations of campcrafts, and a court of honor at which camporee ribbons will be awarded to participating patrols and troops. In addition to the participation ribbons a Star Scout award will be made to Scout Fred Vogel of Troop 88 and a Life Scout award to Scout Donald Bryant of Troop 340. Dr. J. E. Rathbun will be in charge of the court of honor awards.

Program directors for the camporee are commissioners David K. Blair and Dick Laine. Edgar W. Newlon of Troop 50 is field fun director, while religious observances are in charge of John A. Rossi of Troop 143 and William Busch of Troop 27. Chief of judges will be Dr. Arthur Van Druten. RECITAL, PICNIC PLANNED FOR 50 LOCAL MUSIC STUDENTS BY EDNA HYERS

Fifty Daly City students will present a piano, accordion, violin and vocal recital on Sunday, May 16 at 2 p.m. in the First Christian church, Vista Grande and Santa Barbara, according to Mrs. Hyers, local music instructor.

Mrs. Hyers announced that three trophies will be awarded to three of her pupils who have shown the most outstanding improvement during the past school year.

The students who will receive this year's achievement awards are Theresa Peralta, 13, of 30 Cavour street, a piano student who has taken for two years, first place; Barbara Ohlandors, 13, 95 San Joaquin, a piano student for the past two years, second place; Susan Schmaly, 7, of 1050 Hanover street, will be awarded first place in the baby group.

The youngsters who will take part in the recital all come from

Daly City, Colma, Westlake and San Francisco, Mrs. Hyers said, and are the students of Mrs. Betty Klepper, Hilton Kessler and Mrs. Hyers.

Included in the program will be a number of solos and duets. The selections will be representative of the popular, classical and semi-classical schools, Mrs. Hyers stated.

During intermission a group of accordion selections will be presented by Kessler, Mrs. Hyers stated.

A picnic for the students participating in the recital and their parents to be held on Sunday, May 23, at Coyote Point is also being planned, Kessler said.

The group, according to tentative plans, will meet at 4 p.m. at Coyote point for a picnic supper and recreation, Kessler stated.

ELEMENTARY SCHOOL TRUSTEE ELECTION

The LEAGUE FOR BETTER SCHOOLS, composed of delegates from 30 civic organizations in Daly City, was formed to SEEK OUT persons eminently qualified as candidates for school trustees.

After closely surveying the field of persons recommended (over 27 were considered) the League made exhaustive inquiry as to their QUALIFICATIONS, and finally selected SIX persons to be CONTACTED and PERSUADED to run for the THREE vacancies on the Jefferson Elementary School Board. All six consented to have their names submitted to the electorate.

ONLY THREE CAN BE ELECTED

Some delegates to the League, ACTING AS INDIVIDUALS AND NOT AS DELEGATES, and other interested citizens feel that additional action is required. We therefore indicate our INDIVIDUAL CHOICE.

BUICK

as easy to own as the "low-price three"

It's a fact... if you can afford any new car, you can afford a Buick!

Buick is now third in sales in America... due to completely brand new styling, panoramic windshield, stepped-up Fireball V-8 engines... and a host of other advanced features. Buick's ahead in sales, too, because lower monthly payments make it by far the easiest to own. Buick volume sales mean better trade-in deals. Move up to America's most wanted car today!

Buick costs less to buy... less to operate... less to trade!

Funeral services were held in the mortuary of Lasswell and Company for Dr. S. Albert McKeown on Monday, May 10, at 11 a.m.

Dr. McKeown, 601 Junipero Serra boulevard, was a member of the California and American Dental associations. He was also a member of the U. C. Alumni Association.

He is survived by his wife, Iola May, a son, Albert, and a daughter, Gwyn Ellen. He is the son of Elizabeth and Andrew McKeown, Sr., and the brother of Katherine and Andrew McKeown Jr.

Interment was in Olivet Memorial park.

Edward A. Pate

Funeral services will be conducted in Hart Shorne, Oklahoma, for Edward A. Pate, 189 Los Olivos avenue, who died May 6 in Junipero Serra hospital.

Pate, 64, was a construction worker for the Lawrie Paving Company.

Eagles Auxiliary Honors Several Members At Meeting

Several presentations were made at the last meeting of the Eagles auxiliary of the Colma Vista Grande, according to the auxiliary Mother, Mary Voboril.

Jeanne Blankenhorn, president, was feted on the occasion of her birthday, with a birthday cake and a number of gifts, Mrs. Voboril said.

Also honored at the meeting were the members of the auxiliary bowling team and Mrs. Voboril. The bowling team members were each awarded a trophy. Mr. Voboril was presented with a corsage and several gifts.

San Mateo County To Select Fiesta Dream Girl

A beauty contest to select this year's Fiesta Dream Girl and a court of four attendants was announced recently by the Board of Directors of the San Mateo County Fair Association.

The Fiesta Dream Girl contest will be judged on July 22, in the Fiesta building on the San Mateo county fairgrounds. Judging will be done by a group of representatives of the Bay Area television and radio stations and the newspapers.

"Because of the wide acclaim given our last year's lovely Theme Girl, we decided that every city in the county should have the chance to send its most beautiful girl to compete for the honor," Anthony J. Gaggero, president of the San Mateo County Fair Association, said this week.

Each city in the county may enter one contestant. Letters of invitation and entry blanks have been mailed to all city councils. The method of selecting the contestants who will compete at the Fiesta building is left strictly up to the different cities.

According to Gaggero, the dream girl and her court will reign during San Mateo county fair and floral fiesta days, August 6 through 14.

The Dream Girl will receive a \$100 merchandise award and each girl in her court will receive a \$25 merchandise award. As representative of San Mateo county, the Dream Girl will compete in the State Fair contest August 29.

Contestants for the Fiesta Dream Girl contest must be between the ages of 16 and 26, must not have been married, and must have been residents of the county for at least one year.

Jefferson High PTA To See Fashion Show At May 10 Meet

A fashion show will follow the May 20 meeting of the Jefferson Union High School PTA unit, according to Mrs. T. Hopman, publicity chairman.

Miss Elizabeth Jones has prepared the show and the students of the home making classes will model the clothing made during the past term.

Background music for the parade of fashions will be provided by Alfred Rannels and the Jefferson High school band. Donna Sharp will be commentator. Decorations are under the supervision of a group of senior girls, Mrs. Hopman said.

THREE ERRORS COSTLY AS SM SHUTS OUT JEFF

Held to three hits, Jefferson's diamond nine were blanked Friday by San Mateo, 4 to 0, handing the Daly City gang their fifth PAL loss against three wins.

The Mateans tallied once in the first inning when Bill Barraclough sent a booming triple into left field. A miscue by left patcher Don Delbon sent the Bearcat fielder scurrying home for what amounted to the only run they needed.

For the next four innings Jeff chucker Lowell Creighton settled down, allowing the Bearcats only four hits. In the sixth the Mateans caught fire again on a single by Bob Freschi. Delbon fumbled another one and Freschi took advantage of the bobbie and made it to second. He scored when Leo Villar threw wild trying to catch a man off first. Harry Messick then added a couple of insurance tallies with an over-the-fence belt.

Only hits for Jefferson were made by Al Figue, Bob Gaggero and Kelly Ellifson.

The loss shoved the Indians into fifth place.

AUDITIONS FOR RED MILL TO BE HELD SUNDAY, JUNE 20th

The Board of Directors of Peninsula Opera Production has set Sunday, June 20, as audition date for their summer production of "The Red Mill." Auditions for all vocal and instrumental parts will be held on that date at the Burlingame Recreation Center.

According to John McTigue, POPS President, the Board has also appointed Howard Kay, a College of San Mateo music instructor, to direct the opera.

"The Red Mill" will be the fifth summer opera to be produced by this group in cooperation with the College of San Mateo and the Burlingame Recreation Center.

Members of the cast and orchestra are drawn from practically all Peninsula Communities. Further information regarding auditions may be obtained from the Burlingame Recreation Center.

RIGHT LIGHTS AT NIGHT

Improper use of fog lights or parking lights instead of headlights is dangerous, says the California State Automobile Association. Parking lights don't help you or the oncoming driver at dusk; fog lights don't give you the visibility down the road that you need. For safety, always drive after dark with your headlights—the right lights at night.

WESTLAKE CUBS THRASHED TWICE --- CLOSE SEASON TODAY VS. PACK 36

There is no joy in Westlake this week for Cub Pack 248.

In dropping their last two outings, the local ball club had a total of 42 runs shoved down their throat, while scoring only a meager 8 themselves.

Probably the most disastrous of the two contests was Pack 248's debacle last Wednesday, at Jefferson High diamond against league-leading Broadmoor Pack 84, as the Broadmoor gang banged home 25 tallies, against two for the Westlakers.

In taking their most sound beating this season, Pack 248's heretofore tight-knit defensive infield fell apart at the seams, piling up five errors in the first two innings. This, coupled with Chucker Jeff Tambor's eight free passes in the two initial frames, was the undoing of the Pack 248 nine.

In addition, the usually well-fortified batting roster of the Westlakers was mighty dismal, getting only two hits off Broadmoor's sterling pitcher, B. Goodwin. Coach Walter Dunan commented following the game that it was "the worst game my boys have played all year. They would have to pick out the best team to do it against."

On Saturday the Westlakers had

Westlake's Cub Pack 248 baseball club will wind up the season today (Wednesday) at 5:30 p.m. when they meet Pack 36 at the Aptos diamond. The local club, now in fifth place, must win this contest to maintain that standing. The Pack 36 nine are currently in third place in the West of Twin Peaks Cub league.

The dubious honor of nearly repeating their earlier performance, as they bowed to Pack 83, 17 to 6.

Again, it was the errors-plus-walks situation that accounted for the astronomical score. Tambor started the game, but had to be yanked in the third inning after walking seven batters. It was learned that a blister had de-

veloped on Tambor's pitching hand.

Hank Smith came in to relieve at the beginning of the fourth inning, walking only one man and striking out four, but giving up ten hits, about half of which probably could have been put-outs with a little sharper fielding.

Only redeeming features of the contest were Smith's surprise showing on the plate and his excellent fielding, and an alert offensive play by Catcher Peter Dunan, who tagged up at third and scored on an infield fly.

Smith, in addition to Tambor, will return to the Pack 248 line-up next year, giving promise for a strong mound staff for the local club.

Adult Cage League

Alta Roofers sewed up the Daly City Adult Basketball league here Tuesday night at the community center with a 5-0 record, downing VFW, 81 to 74.

Ralph's Cleaners defeated Tromborg's, 58 to 55, to wind up in second spot with a 4-1 season mark.

In Monday's contest, Gigli dropped a 67-59 decision to Sarto A. C.

Leading Alta to their fifth victory was Harvey Cranow, who dumped in 22 markers. The roofers set up a 20-point lead in the second half and coasted the rest of the way.

John Flaherty, ex-USF performer, had an equal amount for the losing VFW club.

Setting the pace for Ralph's in their win was Bill Gregg, who tanked 14. Tromborg's A. Agoff had 16.

Sam Sankowich, sponsor of Alta, will treat his team to a banquet at Paris L'Ouvre, May 27. Trophies will be awarded to individual team members and one large trophy will go to the sponsor.

MOSSI TWIRLS SECOND WIN FOR CLEVELAND

Takes Over In 2nd After Lemon Blasted

Don Mossi, one of Daly City's most outstanding representatives in big league baseball, chalked up his second win for the Cleveland Indians Monday night as he turned back the New York Yankees, 8 to 7.

Mossi, who played with the Sar-

to A.C. here several years, makes his home in Redwood City.

The rookie southpaw took over on the mound for Bob Lemon in the second inning, after the veteran had himself in hot water.

The Yankees scored three runs in their first half of the first inning, and notched two more in the second frame before Lemon was yanked. Mossi got the Tribe off the hook by retiring two batters with the bases loaded.

However, the Yankees scored their last two runs off Mossi in the third. Gil McDougall doubled and then scored all the way from second on a passed ball. Andy Carey homered

over the left field fence, and that was all for the day for the Yanks.

The win was Mossi's second straight, against no losses since entering the majors.

In Monday's outing Mossi allowed only three hits and two runs, striking out six batters.

SLOW DRIVING

Continuous slow driving on numerous short trips is actually harder on automobile engines than an occasional long trip at higher speeds, says the California State Automobile Association. The crank case ventilating system is actuated by the air stream that passes under the engine. As the automobile rushes forward, air sweeps past creating the circulation necessary to draw crank case vapors away from the engine.

Five Local Drivers Involved In Motor Vehicle Dept. Action

Two probations, one suspension, one revocation and one notice of permanent reinstatement of licenses belonging to local drivers were reported this week by the State Department of Motor Vehicles.

Wayne C. Chapin, 78 Fairlawn avenue and Robert E. Ramage, 326 Rhine street, were notified of the probationary status of their licenses.

The license of Philip A. Laine, 134 San Diego avenue and that of David Ratto, 25 Deane street,

were revoked and suspended, respectively.

Gene L. Harrison, 920 Wildwood avenue, Colma, received notice that his license has been permanently reinstated.

CREIGHTON STRIKES OUT 21 IN 14-INNING GAME

Allen Runs 2 Minute 880 In Record Race

LINCOLN ACE SETS NEW PREP MARK; JEFFERSON SEVENTH IN FINAL PAL MEET

Although Jeff varsity half-miler Larry Allen toured the distance in one of the top times in the northern coast this year in the PAL finals at Sunnyvale Friday, he had the misfortune to be running against Lincoln's Don Bowden, who posted a new national record by touring the 880 in 1:53.2.

Allen didn't exactly push Bowden to the new U. S. prep mark, but he was given partial credit for the unequalled performance. pulling in second about 30 yards behind Bowden. The Jeff cinderman was timed by Coach Ernie Ribera in 2 minutes flat, one of the top times on the coast this year.

Tie For Seventh
Jefferson wasn't even in the running for total score, as they amassed only 10 points to wind up in a tie for seventh with Capuchino. Allen scored 5 1/2 of the points with his second in the 880 and his part in the 880 relay, in which the Indians ran fourth.

Wally Honeywell scored the only other points for Jeff, gaining three for his third in the 440.

Honeywell's performance was one of his best, considering the winning time turned in by San Mateo's Floyd Arterburn was 50.5, and Honeywell was only a few yards off the pace.

In the relay the locals might have placed a little higher than fourth had they not been entangled in a big spill in the anchor lap.

Forced Around
San Mateo's Arterburn fell to the ground after stepping on Menlo-Atherton's Dave Easley just 75 yards from the tape. Allen was touring the anchor lap for Jeff and he was forced to go around Arterburn when the Matean hit the dust.

Lowell Klaisner paced the Daly City 30s, gaining a second in the 75-yard-dash and the 150. Both races were "photo finishes," with Klaisner inches behind Burlingame's Bevilockway. Winning time in the 75 was 8.2, while 15.6 took the 150.

Klaisner scored 10 1/4 points of the Indians 23 1/2 point total. The Jeffs were fourth in team scoring, behind Sequoia, Burlingame and San Mateo, in that order.

Tough 1320 Duel
By far the outstanding race of the 30s division, however, was the duel in the 1320, in which Daly City's Jim Rector finished second. Ron Larrieu, officially beat Rector to the wire, posting a new 3:16 PAL standard for the race, obliterating the 3:25.1 previous mark.

Actually Rector was also timed in 3:16, indicating how close the race was. According to unofficial timing, five of the entrants in the race bettered the standing PAL mark.

Teammate Rich Fambrini was right behind Rector, taking third. Bill Curtis, Jeff high jumper, cleared 5' 6" to tie for second in that event. Winning height was 5' 8".

Only other event in which the Jeffs picked up points was the 440-yard relay, where they regis-

MIDGETS TOPPLE ST. JOHN'S

Coming from behind 8 to 1 in the fourth inning, OLPH Midgets went on to topple St. John's, 12 to 9, in a CYO league contest held Saturday at Marchbanks park.

Joe Millet held the St. John's outfit to two hits and four runs, after relieving Larry Kane in the second frame.

The OLPH club tallied once in the first inning, when Billie Whalen doubled in Berry Krohn, who had walked.

It was all St. John's game until the big fourth, when the local Midgets rallied to push across an even ten runs. The OLPH nine added another score in the fifth canto, and that was all they needed.

Each club had a total of four hits. Getting bingles for the Daly City club were Whalen, Kane, Jim Millet and Skipper Crudo.

Wildness on the part of St. John's mound staff saved the day for OLPH, accounting for most of the runs.

The Midgets will face their next league test tomorrow (Saturday) at Marchbanks, in a contest to begin at 10 a.m.

DALY CITY CHUCKER SETS TWO RECORDS

If ever the moniker "iron arm" was deserved, Jefferson High pitcher Lowell Creighton should have qualified for it Tuesday as he poured across 176 pitches in a 14-inning marathon against Burlingame which wound up in a 1-1 tie.

The right-hander shattered the Peninsula Athletic league record for strikeouts, whiffing 21 batters, and broke the league mark for continuous innings pitched. Two ex-Jeff greats held both the previous record. Longest stint on the mound prior to Tuesday had been turned in by Joe Lewkowicz two years ago, who went 12 frames. Ed Cereghino, "bonus baby" of recent national fame, held the former strike-out record for seven innings, which was 18. Whether Creighton's strike-out mark will be recognized is not known as yet, since he went double the usual amount of innings.

Finally Cut Off
Creighton's grueling afternoon on the hill might have been even longer, had not coaches of both teams, agreed earlier to end the game after 14 innings.

At 7 p.m. the contest was just entering the 10th inning and one of the umpires, who is a deputy sheriff, had a commitment to transport prisoners to Seattle that evening. From the 10th canto on one umpire handled the contest and finally, at the close of the 14th, the game was called by mutual agreement of Jeff Coach Lou Martin and the Burlingame tutor.

The game stretched out over a period of three and three quarter hours, probably setting a record for longevity.

Never In Trouble
Those who had the stamina to last out the game from the grandstands had nothing but praise for Creighton, who was never in real trouble the whole distance and didn't even begin to get shaky until the last inning.

In the 14 strenuous sessions, Creighton walked only one batter and gave up 9 hits. The youngster, who already had one of the lowest earned run averages in the league, bolstered it considerably Tuesday by giving up only the single tally.

The Panthers only run was registered in the last of the seventh inning when Bob Angus tripled and was scored on a squeeze play when George Minkin bunted.

The Daly City nine got their only tally in the fourth canto. The scoring was set up after third baseman Al Figone was walked and advanced to second on a miscue by the Burlingame first sacker Wayne McNeal drove Figone home. McNeal reached second

FROSH SWIMMER SETS PACE IN PAL TRIALS

Freshman Phillip De Lucchi, touring the 50-yard breast stroke in 36.1, emerged as Jefferson's only first-place winner in the PAL swimming trials held Friday.

The 15-year-old youngster's time in the C division race was less than three seconds off the league record, which is "pretty terrific" as Coach John Ivan terms it.

De Lucchi also swam the breast stroke for the Indians in the 20s madley relay, in which Jefferson placed.

In Five Events
The Jeff varsity will have swimmers entered in five events at today's (Friday) finals to be held at Lincoln High school pool in San Jose commencing at 3 p.m.

In last Friday's qualifying Jim Galindo and Joe Ruelas made the grade in the 200-yard freestyle. Galindo was third, while Ruelas was fourth.

Ray Lippert turned in the best effort for the varsity mermen, taking second in the 100-yard backstroke. He was clocked in 1:11.7, smashing the Jefferson school record of 1:14. Winning time in the event was 1:09.

Both the Indian relay teams qualified. Competing in the medley race were Ken Duncan, breast stroke, Lippert, back stroke, and Harold Schieles, free style.

Vying in the 200 yard free style relay for the Jeffs were Galindo, Ruelas, Howard Kyle and Roger

preps face South San Francisco in a return match at the South City diamond, to begin at 3:15 p.m. Delbon is scheduled to toss for Jefferson today, but may not be able to appear due to an elbow injury suffered when he was hit by the pitched ball Tuesday.

Westlake Beavers Nip Raiders, 13 to 11

The newly-organized Westlake Beavers hardball nine took the measure of the Daly City Raiders Saturday at Jefferson High diamond, 13 to 11.

Sparking the Beavers on the hill were Dick Reese and George Cos-

Cosmos and Reese also each got a home run for the Beavers, as did Eric Rossavich.

Anthony Guillory whammed out a round-tripper for the Raiders.

The Raiders were weak on the mound, walking 15 men, compared to seven passes given by the Beavers.

The Raiders pitching staff struck out 17 batters, while Beaver chuckers whiffed 16.

Youngsters in Westlake between the ages of 10 to 12 years old who wish to join the Beavers club may make arrangements by phoning H. S. Garrison, PL 5-3505, between the hours of 6 to 8 p.m.

with De Lucchi on the medley relay, while Thurgion, Marshall and Gardner made up the free style relay squad.

Qualifying in diving was scheduled to be held yesterday (Thursday) and Coach Ivan expected to see a couple of his boys make the grade in the B division.

Those who place in the PAL finals today will journey to the NCS meet next Friday.
